

**FNB Mobile Deposit**  
**Sign ~ Snap ~ Send..... it's that easy!!**

FNB Mobile Deposit is available with FNB Mobile Banking. It offers the convenience of easily depositing checks into a FNB checking or savings account anytime from anywhere.

- Capture check images for deposit with a compatible smartphone or tablet. Then use the Mobile Deposit feature to submit the images to FNB for processing.
- Easy to use, accurate and highly secure.

**HOW DOES IT WORK**

You must have FNB Mobile Banking and you must download the FNB Mobile Banking App.

From your Apple iPhone, iPod, iPad or your Android phone or tablet:

- Log into your FNB Mobile Banking
- Select "Mobile Deposit" from the fly-out menu in the upper left corner of device
- Enter your Account Number, E-Mail Address and Mobile Number
- The service will be unavailable to you until your enrollment has been accepted

Once activated:

- Read and accept the Mobile Deposit User Agreement
- Select "Deposit a Check"
- Endorse the back of your check and write "For Mobile Deposit Only"
- Take a picture of the front and back of your check. Enter the check amount and select the account for your deposit
- Click on the "Deposit" button to submit
- You will receive an email message once your image is received

All transactions that are submitted prior to 6:00 p.m. CST will post to your account during end of day processing.
